

CS 410/510: Deep Learning Computational Structures and Architectures
Assignment 5
Due March 15th 11:59pm

For this assignment you will implement DCGAN in pytorch. The code is available at this link:
https://pytorch.org/tutorials/beginner/dcgan_faces_tutorial.html

The tutorial is self-explanatory.

What to submit: A report in which you discuss the following:

- 1. How long did it take you. Any significant challenges?*
- 2. Provide a set of real and fake images*
